Disclaimer & Scope Limitations

Our report is subject to scope limitations detailed hereinafter. As such the Report is to be read in totality, and not in parts, in conjunction with the relevant sections referred to in this Report.

The scope of our work does not cover advice and assistance in respect of any legal and regulatory compliance that Target may be required to ensure under any law in force in India or elsewhere. The scope of our services did not constitute an audit conducted in accordance with generally accepted auditing standards, or an examination of internal controls or other attestation or review services or services to perform agreed upon procedures in accordance with standards established by the Institute of Chartered Accountants of India ("ICAI"). The services also do not involve expression of any opinion or any other form of assurance, with respect to any matters as a result of performance of our services.

Our services were completed on 02-Jan-2026 and we have not updated our work since that date. There may have been other developments since then, which could have an impact on the services provided. However, we take no responsibility for the possible impact of such events and circumstances including updating this Report for the same, unless separately engaged for additional work subject to mutually acceptable terms in writing.

The performance of our services do not constitute (i) Recommendation regarding the acquisition or financing of any business, assets, liabilities or securities or (ii) Examination or compilation of prospective financial information in accordance with standards established by ICAI or any other professional institution relating to accounting and internal controls. The background checks services and our Report are not intended to be, and shall not be construed to be, investment advice|| or legal, tax or accounting advice. The Client agrees that it will look to its counsel and advisers for legal, tax and accounting and other advice concerning any contemplated transactions or other matters relating to the services.

We assume no responsibility for the accuracy and completeness of information, as cost/benefit and other considerations will preclude us from pursuing every conceivable source of information about the Target. Further we have used professional judgment to identify the information sources to be searched. If other professionals undertook similar exercise, such professionals might provide different findings. Accordingly, we do not provide assurance that our Report has identified all information that might be available in the public or private domains. Our Report should not be construed as a report on the financial status of Target. Our Report should not be construed as documentary evidence on Target.

Whilst we have taken reasonable steps to corroborate the information obtained, we cannot guarantee its reliability or completeness. For these reasons this report should be used for guidance purposes only. It should not form the sole basis for any decision as to a potential course of action without independent confirmation of its findings; nor should it be relied upon as preferred advice on the Target.
